Addendum to Module 10 – Audits / Module 11 – Public Records

List of administrative reports from Diebold GEMS Part 8 of 12

See whole list: <http://www.blackboxvoting.org/toolkit-report-samples.pdf>

There is only one report in this part: The memory card status report. This will tell you how many memory cards were created, a critical part of the chain of custody for memory cards. A memory card is a ballot box.
